OUR MARKETING IS AWARD-WINNING!

We are happy to announce our recent marketing achievements at GPOFCU! In 2023, we took home the MAC Holiday Loan Campaign Silver Award at the 2023 MAC Conference, as well as the Best Digital Campaign and Best Return on Investment Award at the MDDC Trailblazer Awards! This is GPOFCU's second consecutive year winning a MAC Award and third consecutive year winning a Trailblazer Award.

As our CEO, Stephanie Covington, says: "This achievement symbolizes the remarkable progress our credit union has made in marketing efforts over the recent years. Receiving this award was a delightful surprise! It solidifies our position as financial leaders in our community."

MANAGE YOUR MONEY WITH GREENPATH!

Does your brain need a vacation, and your wallet says no? All of us have been there! Regardless of whether a life change is planned or unexpected, transitions can have a significant impact on your financial situation. Having a plan you can activate in a transitional period can help reduce your stress.

This summer, we held a money management webinar to help our members strategize steps to moving forward and minimizing long-term impacts regarding their finances. This webinar was great for people who were planning a life change, who had recently been financially impacted by a transition, or who were vacationing on a budget. We went over how to assess the financial impact of a transition, how to identify resources that can help navigate you through transitions, and how to master the art of a staycation.

If any of this sounds beneficial, then you're in luck - through our financial partner, GreenPath, you have access to financial experts and tools that will help you navigate through life's financial challenges. We also hold several webinars every year to help you better understand budgeting and money management.
